Designed for Student Success

North Seattle College is located on I-5 in the Northgate area, directly across from the site of the new Northgate Link Light Rail station. The campus is in a residential neighborhood, close to Seattle's popular Greenlake Park. The campus includes environmentally sensitive wetlands, which have inspired a college-wide commitment to sustainability.

Start sooner, study smarter & get the job you want! WA state juniors and seniors who are enrolled at a public high school are invited to apply for Running Start. Students may receive free or reduced cost tuition for up to 15 college credits.

Take two years of college classes, tuition free. The Seattle Promise Scholarship and Success Program at North will provide two years (or up-to 90 credits) of tuition-FREE college and enhanced support services for all Seattle public high school graduates.

North Seattle College offers five bachelor of applied science degrees and is proud to launch its fifth B.A.S. program in Accounting with International Accounting this fall 2020.
