Programs

College Transfer

Students can take their first two years of college here, where we offer smaller classes taught by talented instructors dedicated to helping them reach their goals. Then, students can transfer their credits to a four-year college or university to finish their bachelor's degree.

Professional/Technical

Seattle Central offers a variety of career preparation short-term certificate, associate degree and applied bachelor's degree programs to help students launch successful careers including:

Business Technology Management

Business Process Management, Business Intelligence, Office Management, Accounting Assistant, User Support, Applied Accounting and Entrepreneurship

Creative Arts

Graphic Design, Apparel Design and Visual Media

Culinary

Culinary Arts and Specialty Desserts & Breads

Healthcare

Dental Hygiene, Respiratory Care, Community Health & Education, Healthcare Services Management, Nursing, Surgical Technology and other Allied Health fields

Information Technology

IT-Networking, Web Design, Web Development, Programming, Database Administration and more.

Maritime

Marine Engineering Technology and Marine Deck Technology

Social & Human Services

Applied Behavioral Science, Chemical Dependency, Early Childhood Education & Family Studies and Social & Human Services.

Wood Technology

Carpentry, Cabinetmaking and Marine Technology

*Bachelor's of Applied Science degrees indicated in bold.

Basic Studies

These programs help students who are not quite ready for college-level classes including: Adult Basic Education, I-BEST, GED, High School Completion, High School 21+ and ESL.

Dual Credit Options

Running Start

This program gives students a "running start" on college-level coursework. Completed courses count twice – once toward fulfillment of high school graduation requirements, and again for college credit. More information:

seattlecentral.edu/programs/high-school/running-start

Other High School Programs

Seattle Central currently offers TechPrep and other programs to help local high school students start earning college credit while in high school. More information: seattlecentral.edu/programs/high-school

I-BEST (Integrated Basic Education and Skills Training)

This program helps students at the basic skills level enroll in college-level programs so they can earn certificates in high-demand industries. Classes teach basic skills and workforce skills at the same time. More information:

seattlecentral.edu/programs/basic-and-transitional-studies/i-best

Student Life

Student Support Services

Tutoring, advising, counseling, multicultural services, veteran's services, and women's programs. Workforce Services, TRiO, MESA, College Success Program and other programs also support qualifying students throughout their time at Seattle Central.

Student Clubs/Organizations

Seattle Central currently has over 50 active clubs, including: Glee Club, Public Speaking Club, Black Student Union, Chinese Club, Student Veterans Association and many more.

Campus Events

Throughout the year, the campus hosts a variety of events, with many planned and produced by students, including: concerts, an annual Unity Fair, art events, panel discussions and more.

Sports and Recreation

Seattle Central has a full-service fitness center featuring basketball courts, free weights, cardio machines, pool tables and more. Several student clubs cater to those interested in sports.
